**Ongoing GPS interference – Straits of Hormuz**

**Action required: *Members are to note the attached advisory note (Annex A) from the European Maritime Awareness body regarding GPS interference.***

Members will recall the ongoing issue around GPS interference in the Straits of Hormuz and greater Persian gulf area. We have received feedback from members on the issue and would like to encourage reporting to either the European or the United States maritime awareness bodies.

The United States advisory notice can be found on:

<https://www.maritime.dot.gov/msci/2022-010-various-gps-interference-ais-spoofing>

The Secretariat is monitoring the issues and will continue to update members, as necessary. **Any questions or comments regarding should be addressed to [Gregor.Stevens@ics-shipping.org](mailto:Gregor.Stevens@ics-shipping.org).**
