### Seminar's Description:

The course provides participants with a more detailed knowledge on issues of authority and liability of the DPA within the scope of ISM Requirements and SMS Implementation.

A number of topics addressed reflect the optimum approach as to the DPA Role within the Company, as well as undesired implications which can be avoided.

**Facilitator:**  
Ανδρέας Σφακιανάκης  
ABS Instructor 

A **Certificate of Compliance** will be issued upon completion of the seminar from **Theta Training Center** approved by
