MACN COLLECTIVE ACTION STRATEGY – HOT-SPOT SURVEY

Action Required: Members are advised that MACN is inviting its members and the wider industry to participate in an anonymous survey to list the top corruption hot-spots where ships and seafarers face frequent and severe corruption challenges. within Monday 20 September 2021.

MACN is asking its members, the wider industry, and other relevant stakeholders to list the top corruption hot-spots where ships and seafarers face frequent and severe corruption challenges. The data collected, combined with MACN's incident reporting data and additional datasets, will allow MACN to identify priority locations where MACN can begin to drive industry-led Collective Action Initiatives with a high likelihood of achieving change.

Any members or their shipping company members wishing to contribute to MACN's hotspot mapping, please take 5 minutes to complete this anonymous survey. Please follow the below link to be directed to the survey.
