MACN EGYPTIAN PORTS AND TERMINALS SURVEY

Action required: Members are invited to consider the invitation from MACN to participate in an Egyptian ports and terminals survey and responses are requested within 30 November 2021.

The Maritime Anti-Corruption Network has launched an anonymous survey to identify the most common challenges in the Egyptian ports and terminals.

Please share this questionnaire with your members and member's vessels calling Egypt as their input will be of great value in this assessment.

The survey can be accessed via the link provided below and should take no more than 10 minutes to complete;

Please note that all data will be collected anonymously via Alchemer and handled confidentially by MACN. The results of the survey will be aggregated and shared with project stakeholders, MACN members, and will be used to develop the next steps MACN should take to further improve the operating environment in Egypt.

Please contact macn@macn.dk if you have questions to this request or MACN's Collective Action in Egypt.

MACN thanks you in advance for your valuable feedback, which they would like within 30 November 2021.
